First Amendment of US Constitution

Without separating church from state, true religious freedom is impossible.

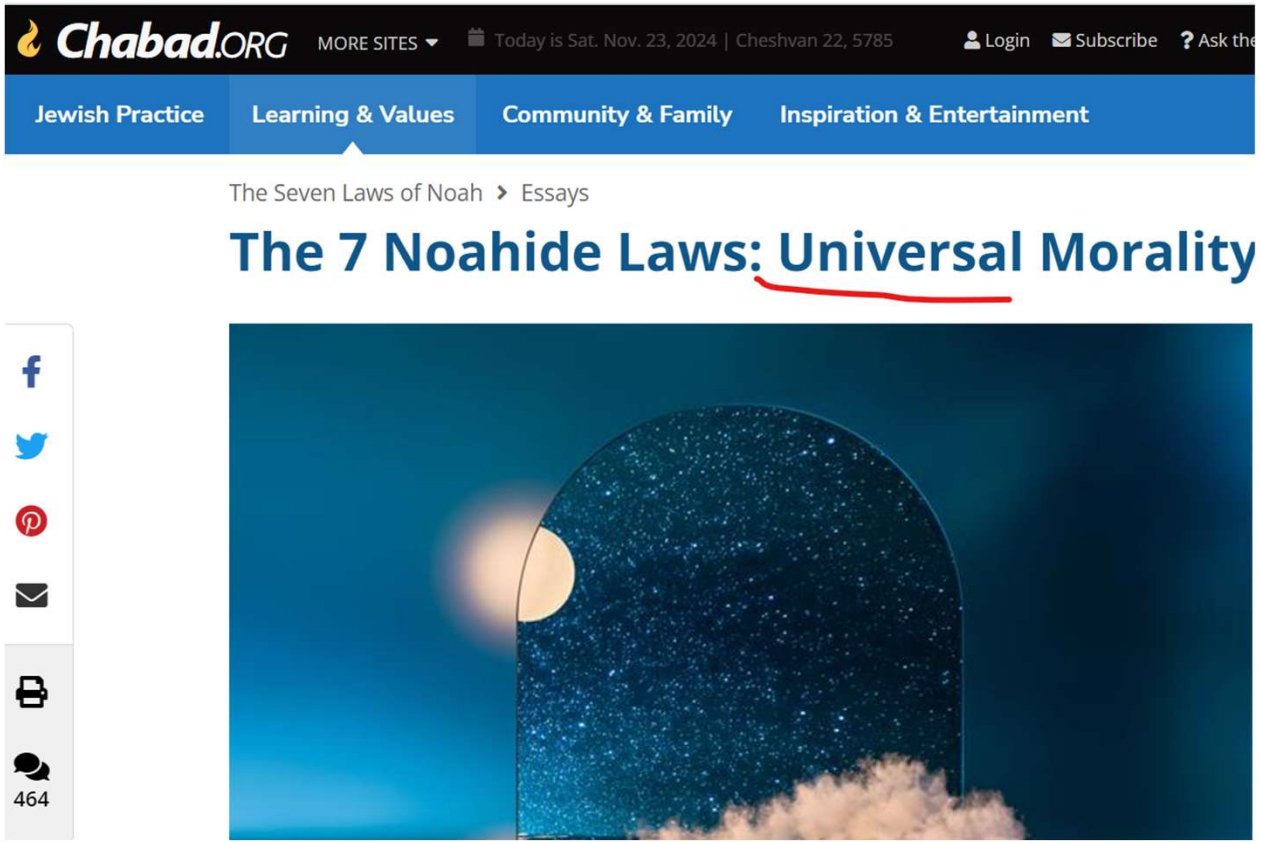
Congress shall make no law **respecting an establishment of religion**, or **prohibiting the free exercise** thereof; or **abridging the freedom of speech,** or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

A Global Plan – America First

Although Judaism does not believe in Yeshua (**Jesus**) as the Savior or Messiah **for either Jew or non-Jew** (Gentiles), **the rabbis do have a doctrine for**

the salvation of non-Jews.

They call it the **Noahide Laws**.



2017 Handed a Card by a Jewish man in Old Jerusalem

The card said, “**Want Divine Protection**? Simply say this **biblical verse** every morning and evening with the intent of fulfilling God’s will and you will be divinely protected all your life!" The verse was “Hear oh Israel, God is our Lord, God is only One!"

The back of the card stated the following:

“The Laws of Noah were given by G-d to Moses on Mt. Sinai for all the people of the world." The seven laws are listed:

1. Belief in G-d. Do not worship idols.
2. Respect G-d and Praise Him – Do not blaspheme His Name.
3. Respect Human Life – Do not murder.
4. Respect the Family – Do not commit immoral sexual acts.
5. Respect other’s property – Do not steal.
6. Respect All Creatures – Do not be cruel to animals.
7. Create of Judicial System – Pursue justice.

The motto on the card was, “I love everyone and thereby fulfill G-d’s will.”

- This all sounds good until you understand the **meaning of each law** and the **consequences** when broken.
- There are over 200 sub laws to the 7 laws which can be changed at the whim of the Rabbis.
- It is **disturbing** when one understands **the infiltration of these laws into United States law**.
- These laws come from the **Babylonian Talmud** and **apply mandatorily to non-Jews**.
  - Even though they say the laws are from Genesis and were given to Noah – THEY ARE NOT BIBLICAL as written and intended.
- The laws **prohibit**
  - **freedom of religion,**
  - **freedom of speech, and**
  - **freedom of sexuality or death by decapitation**. (276)

Peace Through Noahide Laws

The young Jewish attendant was very friendly.

I mentioned to him the fact that Hebron and specifically this site was an area of much religious conflict.

He surprised me and said, “**But we have an answer! Soon** it will be resolved."

I replied, “Oh yeah?"

He said, “**We will soon** have the **universal** laws in place, the **Noahide** laws.” I was floored that he proclaimed this to an American woman.

I said, “**I am well aware** of the Noahide laws and **the plan**."

It was his turn to be surprised. He said, “**You are**??"

What surprised me most was the acceptance by the younger generation and the agreement with **the plan to propose these laws globally.**

Planned Order out of
Planned Chaos

New World Order

One World Religion

- Sanhedrin Court - *New Jewish Congress*
  - States Jewish courts should enforce the Noahide laws - **GLOBALLY**.

- More than a set of moral laws to live by, **Noahide is an established religion** primarily made up of **Jews and former Christians who have denied faith in Yeshua (Jesus) as their Savior**.
  - **Gentiles – Non-Jews**

- They have placed themselves under the authority of Ultra-Orthodox (Hasidic) Jewish rabbis from the **Chabad movement.**
  - These rabbis set the liturgy, rules, and beliefs for the “Noahide” religion.

NOAHIDE IS LAW – IN AMERICA

The 7 Noahide Laws: Universal Morality

- From the Babylonian Talmud
- n 1991, both houses of Congress passed a bill, signed into law by President George H. W. Bush, that declared the Noahide Laws to be “the bedrock of society from the dawn of civilization” and the “ethical values and principles . . . upon which our great Nation was founded” (H.J.RES.104.ENR).

Initiated by Carter 1978

In 1982, then **President Ronald Reagan** signed Proclamation 4921 in which he stated **that the Noahide Laws are the moral foundation of America’s character,** and the Noahide Laws are a **moral code for all regardless of faith**. He also **praised** the Lubavitch movement and Rabbi Schneerson for their **example in educating the world** about the **Jewish Noahide Laws**. He then requested Congress to sign **Joint Resolution 477,** which celebrates Rabbi Schneerson’s birthday as a “National Day of Reflection.”

Why is the US Honoring a Racist Rabbi?

ALISON WEIR

If things proceed normally, President Barak Obama will soon proclaim April 11, 2014 "Education and Sharing Day, U.S.A." Despite the innocuous name, this day honors the memory of a religious leader whose lesser-known teachings help fuel some of the most violent attacks against Palestinians by extremist Israeli settlers and soldiers.

The leader being honored on this day is Rabbi Menachem Mendel Schneerson, charismatic head of a mystical/fundamentalist version of Judaism. Every year since 1978, a Presidential Proclamation, often accompanied by a Congressional Resolution (the 1990 one had 219 sponsors), has declared Schneerson's birthday an official national day of observance.

Every Year, Every President Every Congress Honors Rabbi Schneerson and promotes this law.

DONALD J. TRUMP: CHAMPION OF NOAHIDE LAW

https://www.jewishlifeleague.org/pro-life-blog/donald-j-trump-champion-of-noahide-law

When Orthodox Jews are asked why they support President Trump, they often list his support for Israel and his defense of religious freedom (including the call to keep houses of worship open during the pandemic).

An **often-ignored aspect of his administration has been its promotion of Noahide law and values**.

During his almost four years in office, Donald Trump has been the greatest supporter of Noahide law in US history and he must be reelected if only for that reason.

By saying that the President supports Noahide law, I do not mean to say that he has imposed these laws on the general population, but rather that he has contributed to dismantle the liberal agenda to impose their secularist dogma on the entire population and **has defended the rights of American who want to live by God's law.** (Only two are actual commands given to Noah by God).

"Your U.S. government can now legally kill Christians for the 'crime' of worshipping Jesus Christ!

A diabolic deception has been perpetrated on the American people by their own leaders, Senators, and Congressmen, who have sold their soul to the devil.

On March 5, 1991, in the House of Representatives, and March 7, 1991, in the U.S. Senate, without any knowledge of, or input by, the people of the United States, U.S. Senators and Congressmen passed a law that is so outrageous, and frankly unconstitutional, that it forces the American people to be bound by a set of monstrous rules, called the Noahide Laws, rules **that make the belief in Jesus Christ a crime punishable by death!**"

On March 20, 1991, President George H. W. Bush, a supposed Christian, signed the bill into law."

[H.J Res 104] To designate March 26. 1991, as "Education Day. U. S. A."

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of
civilized society and upon which our, great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos; Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society; Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world; Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991: Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws: and Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state: Now, therefore, be it Resolved by the Senate and House of Representatites of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide
Lutbavitch movement. is designated as "Education Day. U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Why is the US Honoring a Racist Rabbi?

- The body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world …
  - The difference in the inner quality between Jews and non-Jews is "so great that the bodies **should be considered as completely different species.**"
- "An even greater difference exists in regard to the soul.
  - Two contrary types of soul exist, **a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness."**
- "As has been explained, **an embryo is called a human being, because it has both body and soul.**
  - Thus, the **difference between a Jewish and a non-Jewish embryo** can be understood."
- "…the general difference between Jews and non-Jews:
  - A Jew was not created as a means for some [other] purpose; **he himself is the purpose,** since the substance of **all [divine] emanations was created only to serve the Jews."**
- "The important things are the Jews, because they do not exist for any [other] aim; **they themselves are [the divine] aim."**
  - "The entire **creation [of a non-Jew] exists only for the sake of the Jews**."

Rabbi Moshe Feller delivers the invocation at the U.S. Senate

To truly make America great again and bring back the Golden Era, however, there is an essential element that needs to be restored: moral integrity. I urge you to consider creating a Department of Morality, modeled after President Reagan's 1982 tribute to the Lubavitcher Rebbe. The Rebbe advocated for moral clarity in public institutions —a perspective that resonates powerfully in today's world. Just as Reagan honored the Rebbe's guidance, establishing a Department of Morality would demonstrate a commitment to fortifying the nation's spiritual foundation, a move that truly benefit America's future and the whole world.

This department would be to promote solely the Seven Noahide Laws—universal principles of justice, respect, and morality—and to work with community organizations to foster respect, family values, and well-being across America. While our national pursuit of prosperity has been

Noahide and Freemasonry Connection

The History of Freemasonry

Albert Mackey

during its existence in Palestine to the Jewish nation only, but proselytes of three kinds were freely admitted. One of these classes was the "proselytes of the gate." These were persons who, without undergoing the rite of circumcision or observing the ritual prescribed by the law of Moses, engaged to worship the true God and to observe the seven precepts of Noah, and these things they were to do whether they resided in Judea or in foreign lands. They were not, however, admitted to all the privileges of the Jewish religion; marriage with Israelites was forbidden, and they were not permitted to enter within the sacred inclosure of the temple. So that, although they were Noachidæ, they were not considered equal to the true children of Abraham.

derson, though both have the same purpose. The meaning is that the only religious laws which a Freemason is required to obey are those which are contained in the code that has been attributed to Noah. This sentiment is still further expressed toward the close of the "Old Charges," where it is said that the Mason is obliged only "to that religion in which all men agree," excluding, therefore, atheism, and requiring the observance of such simple laws of morality as are enjoined in the precepts of Noah.

Anderson had, however, a particular object in the use of the word "Noachida." The Krause MS. says that the Mason "must obey the laws of the Noachites;" that is, that he is to observe the seven precepts of Noah, without being required to observe any other religious dogmas outside of these—a matter which is left to himself.

"NOAHCHIDAE: The name has from the earliest times been bestowed upon the Freemasons, who teach the same doctrines. it is said, 'A mason is obliged by his tenure to observe the moral law as a true Noachidae."

A Powerful International Army to Enforce Noahide Law

- Through Freemasonry, Jews would have a greatly extended **base of power and clout, indeed an international army** prepared **to enforce Noahide Law** and slaughter dissident non-Jews.
- Albert Makey, a respected high-ranking Freemason, Masonry encyclopedia compiler and Talmud researcher, in several of his works declares that Freemasons are "Noachides" and that **they are obligated to follow the Noahide Laws**.
- According "Morals and Dogma" by Albert Pike, the **21 degree of Freemasonry is called the "Noachite,** or Prussian Knight".
- According to Albert Makey, Noah influenced the Masons through a **mystery (secret) religion** called **Arkite Worship.**
- **"Noachidae, Noachites. The descendants of Noah. A term applied to Freemasons."** (Mackey, Lexicon of Freemasonry, page 324, 2004)

Death for Idol Worship

- According to Maimonides - **Every non-Jew (Gentile)** is a "son of the covenant of Noah"
- Non-Jews do not have to follow the Mosaic Law or **Know God**; however,
  - **all Gentiles are obliged to follow the Noahide Laws.**
- The laws given to Noah's children are **universally binding.**
- A non-Jew who abides by the Noahide Laws is considered a "righteous Gentile," according to Judaism, and will **earn a reward** in the afterlife, **if** his obedience is coupled with a knowledge that the laws come from God.
- The Talmud calls for **capital punishment for Gentiles** who violate the Noahide Laws.

- **Muslims and Christians are considered Noachides**
  - **Noachides are subject to greater legal restrictions than Jews because Non-Jews are more prone to sin**
  - Noachides must not only accept the laws on merit but as "divinely revealed"

Hasmonean era – 140 BC to 63 BC – BEFORE JESUS

Jesus was Born Around 4 BC

- The formulation of the seven Noahide commandments were dated during the Hasmonean era as **the Jews were concerned about the legal status of the Non-Jews in a sovereign Jewish state**
- **Revival of Jewish Culture:** The Hasmonean era saw a resurgence of Jewish culture, including the **rededication of the Temple** in Jerusalem and the **establishment of the Sanhedrin,** a Jewish governing body.
- **Development of Jewish Law:** The Hasmonean period saw significant developments in Jewish law, including the compilation of the **Mishnah and the Talmud.**
- **Emergence of New Jewish Sects:** The Hasmonean era also saw the emergence of new Jewish sects, including the **Pharisees, Sadducees, and Essenes.**

Abortion non-Capital for a Jew, Capital for a non-Jew

- There were early indications the laws were intended **solely to govern the behavior of the non-Jewish resident living under Jewish jurisdiction**.
- These laws would be **enforced by rabbinic courts or a non-Jewish judiciary and legal system under the rubric of Jewish civil law and its judicial system.**

  - The Mishnah, an early rabbinic text, states that a **fetus is not considered a human life** (nefesh) until it begins to emerge from the birth canal (Tractate Oholot 7:6). The Talmud (Yevamot 69b) reinforces this view, noting that a fetus is considered "mere fluid" (mayim) until 40 days after conception.

  - However, A generation ago in the U.S., when Rav Moshe Feinstein, z"l, was unquestionably the most prominent posek (legal scholar), his opinion (Igrot Moshe, CM 2:69) **that feticide was murder (non-capital for a Jew, capital for a non-Jew) held sway.**

    - In Roe v. Wade, the historic Supreme Court ruling legalizing abortion, the justices cited the Catholic Church's position that life begins at conception, Rabbi David Saperstein says. But they also turned to Jewish law, which says "**life begins after the fetus is viable.**"

Romans 2:11

- As a general rule, the Noachide (Gentile) is **criminally liable** for violation **of any of his seven laws even though technical definition limitations would prevent liability by a JEW PERFORMING THE SAME ACT.**
  - Thus a NON-JEW is liable for BLASPHEMY even if only with one of the divine attributes; murder (to include a fetus), robbery, (less than a widow's mite 2.9 cents), eating the flesh torn from a living animal, even of a quantity less than the size of an olive.
  - **In all these cases a JEW would not be liable.**
- Violation of ANY ONE of the seven laws subjects the Noachide to **CAPITAL PUNISHMENT BY DECAPITATION**

The Sanhedrin

The Sanhedrin is the name given in the Mishna to **the council of seventy-one Jewish sages who constituted the supreme court and legislative body in Judea during the Roman period.**

It continued to function for more than four hundred years **after the destruction of the Temple** and there have been several orthodox attempts to re-establish it since that time.

The current attempt to re-establish the Sanhedrin is generally referred to as the "nascent Sanhedrin", or the "developing Sanhedrin".

"The purpose of this administration is clearly to **reconnect the American people to their faith in God**, which was clearly the opposite of the agenda of the Obama administration.

Political & Monetary Influence

Most politicians can be bought.

Abram said to the king of Sodom, '**I have lift up mine hand unto the LORD, the most high God, the possessor of heaven and earth, That I will not take from a thread even to a shoelatchet, and that I will not take any thing that is thine, lest thou shouldest say, I have made Abram rich**. (Genesis 14:21-24).

We are warned in the Word, "And that because of **false brethren unawares brought in, who came in privily to spy out our liberty** which we have in Christ Jesus, **that they might bring us into bondage**" (Galatians 12:4).

The Key to a Trump Victory in 2024: The Noahide Laws

Home » The Key to a Trump Victory in 2024: The Noahide Laws

- **Trump's difficulties [in not getting reelected] resulted from neglecting one of the seven Noahide laws. With the fifth Noahide Law (Genesis 9:6), God commands Man to punish murderers.**
- This **soul-disease of twisted justice i**s taking hold around the world. What we have seen in so many forms is lawlessness. It infected the International Criminal Court, leading it to make the most bizarre claims against Israel, going so far as to issue an **arrest warrant against Benjamin Netanyahu, the leader of Israel.**
- **Trump did many things well, but to fix this soul-sickness of injustice, Trump must return the justice system to being in God's image.**
- **In his first term, Trump ignored the Noahide commandment to establish a God-based justice system. I believe he is paying for that now. I believe the entire world is paying for that sin**.
- I support Donald Trump, but this is conditional support, conditioned on **his fixing the court system**. He must do it to retain political control but, **more importantly, he must do this for universal godliness.**

Donald Trump grilled Jared Kushner about Ivanka's conversion to Judaism

Trump wore a yarmulke when he walked Ivanka down the aisle, Kushner wrote

Raised as a Presbyterian Christian, Trump converted to Orthodox Judaism in July 2009,

As their relationship progressed and they began to discuss getting married, Kushner went to see Trump at Trump Grill in Trump Tower: "I could feel my voice shake as I managed to say that Ivanka and I were getting more serious and that she was in the process of converting."

According to Kushner Trump replied: "Well, let me ask you a question. Why does she have to convert? Why can't you convert?"

Kushner replied that she had made the choice herself and was comfortable with it, to which Trump then remarked: "That's great. Most people think I'm Jewish anyway. Most of my friends are Jewish. I have all these awards from the synagogues. They love me in Israel."

Abrahamic Family House 'changes all the rules' of interfaith understanding

The mosque, church and synagogue complex is a shining monument to tolerance.

The road to Thursday's opening began with Pope Francis' February 2019 trip to the UAE, where he met with the grand imam of al-Azhar, Ahmed el-Tayeb, leader of the oldest Islamic educational institute in the world. Their meeting ended with their signing of the Document on Human Fraternity, which set ambitious goals to foster interfaith understanding.

DOCUMENT ON HUMAN FRATERNITY

For World Peace and Living Together

At its founding assembly in Amsterdam in 1948, the World Council of Churches declared:

"We call upon all the churches we represent to denounce anti-Semitism, no matter what its origin, as absolutely irreconcilable with the profession and practice of the Christian faith. Anti-Semitism is a sin against God and man."

To this the Council's third assembly (New Delhi, 1961) added the admonition:

"In Christian teaching, the historic events which led to the Crucifixion should not be so presented as to impose upon the Jewish people of today responsibilities which must fall on all humanity, not on one race or community."

Similarly, the House of Bishops of the Episcopal Church (USA) in a 1964 statement rejected any imputation of "deicide" to the Jews, stating that this is **"a tragic misunderstanding of the inner significance of the crucifixion."**

Interesting. I had not know about these 'Abraham Accords' which was the covenant that forms the basis for the building project, with other projects to come. The accords marked the first public normalization of relations between an Arab country and Israel since that of Egypt in 1979 and Jordan in 1994, **says Wikipedia**. The

The UAE's Abrahamic Family House, housing a mosque, synagogue and church, is a major symbol of the success of the Abraham Accords and the winds of coexistence that are blowing over the region; a breeze that has been pioneered by the UAE, Bahrain and Israel, as well as Morocco and Egypt and other countries that are embracing new relationships. The site was inaugurated in a ceremony last week and it has been greeted with praise in the UAE, Israel and across the region by those who support coexistence.

[Abrahamic Family House shows success of Abraham Accords - analysis - The Jerusalem Post (jpost.com)]

For he [JESUS] is our peace, who hath made both one, and hath broken down the middle wall of partition *between us*; 15Having abolished in his flesh the enmity, *even* the law of commandments *contained* in ordinances; for to make in himself of twain one new man, *so* making peace; 16And that he might reconcile both unto God in one body by the cross, having slain the enmity thereby: 17And came and preached peace to you which were afar off, and to them that were nigh. 18For through him we both have access by one Spirit unto the Father. Antisemitism is wrong, but I will not be voting for the Antisemitism Awareness Act of 2023 (H.R. 6090) today that could convict Christians of antisemitism for believing the Gospel that says Jesus was handed over to Herod to be crucified by the Jews.

Trump's Executive Order to Stifle Israel Critics Probably Violates the Constitution

By Jesse Singal

A first look at the language of Trump's executive order on antisemitism

President Donald Trump speaks about the mass shootings in El Paso, Texas and Dayton, Ohio, in the Diplomatic Reception Room of the White House, Monday, Aug. 5, 2019, in Washington.

- Jews are the **only group of people** that I am aware of who have **worldwide protection**. Christians have been **martyred** and **slaughtered** since **Cain killed Abel, and yet are without protection**. As of this writing, **innocent Palestinians**, women, and children **are being killed in Gaza**.

- Gaza has been the largest open-air prison in the world. **Any word standing against the slaughter is shot down with the accusation of antisemitism**. Not being able to seek and find the truth is a **blow to free speech**.

Could this happen in America?

We *all* need Jesus

- We do not have anything over those who are called or call themselves Jews, nor do they have anything over us!

- “Then Peter opened his mouth, and said, Of a truth I perceive that **God is no respecter of persons**" (Acts 10:34).

Pray for America – Pray for President Trump

1. Prayer of **Repentance** (Acts 2:38, 3:19, Luke 13:3, 2 Corinthians 6:2).
2. Prayer of **Renunciation** (Romans 12:2, 2 Corinthians 4:2, Luke 14:33).
3. Prayer of **Cleansing from Iniquity** (Psalm 51:2, Ezekiel 36:25, Isaiah 1:18)
4. Prayer to **Break the Curse** (Exodus 20:5, Ephesians 4:27, Galatians 3:13, Isaiah 54:17, Romans 8:2)

Three Warnings

- "The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the Lord come. And it shall come to pass, that **whosoever shall call on the name of the Lord shall be delivered**: for in mount Zion and in Jerusalem shall be deliverance, as the Lord hath said, **and in the remnant whom the Lord shall call**" (Joel 2:31-32).

- The power of darkness will be defeated, and the remnant will soon be delivered. **Are you ready for the great and terrible day of the Lord? Only those who know Truth will be.**
