The
Hijacking Attempt

of the

Coming Reign

The Bride of Christ

- This message will be to give insight to the attempt to hijack the story of Esther.
- First a background on the books in the Old Testament.
 - Torah – the first five books: Genesis, Exodus, Leviticus, Numbers, Deuteronomy.
 - Historical Books – Joshua through Esther
 - Poetical Books
 - Major and Minor Prophets
- Esther is the Old Testament book of providence (Wisdom - Foresight).

- Interestingly, God's name is not mentioned one time in the book of Esther.
- Yet, it is evident that God is ever working behind the scenes in the Hebrew Bible.
- The author of Esther is unknown, but it is mostly likely Mordicai.
- The date of the writing is probably between 450 and 420 BC.
- The narrative covers approximately **ten years** from the third to twelfth year of the reign of Xeres or Ahasuerus.
- The purpose of this book is to illustrate God's divine care for the Jews who did not return from the captivity with the first remnant.

- The purpose of the book of Esther is also to reveal the principles of **bridship** as seen in **Esther** and **sonship** as seen in **Mordecai**.
- The church is both a **BRIDE** and a **SON**.
- The book narrates certain incidents in the court of the **PERSIAN** King Xerxes or Ahasureus relating to the **deliverance of the Jews out of persecution**.
- It furnishes the reason for their institution of the Jewish feast of **Purim**.
 - Because **Haman** the son of Hammedatha, the **Agagite**, the enemy of all the Jews, had devised against the Jews to destroy them, and **had cast Pur**, that *is*, the **lot**, to consume them, and to destroy them
 - Wherefore **they called these days Purim after the name of Pur**. Therefore for all the words of this letter, and *of that* which they had seen concerning this matter, and which had come unto them,
 - The Jews ordained, and took upon them, and upon their seed, and upon all such as joined themselves unto them, so as it should not fail, that they would keep these **two days** according to their writing, and according to **their appointed time every year**;
 - And *that* these days **should be remembered and kept throughout every generation**, every family, every province, and every city; and *that* these days of Purim should not fail from among the Jews, nor the memorial of them perish from their seed. Esther 9:24, 26-28
- Purim implies PROTECTION (BE, Purim pg. 1414)
- The book of Esther pictures the conditions of God's people during their exile in PERSIA.

- The time was between the period of the restoration of the temple under the hand of Zerubbabel and return of the second group under Ezra.
- Xerxes, King of PERSIA, set aside Queen **Vashti**, at the feast of Ahasuerus.
- **Esther** was chosen to be his new **BRIDE** and queen, brought in and prepared by the ministries of **Mordecai**.
- When **Hamon** the **Agagite** rose up against the **Jews**, **Esther** called a national fast and at the risk of her own life brought **deliverance** to the Jewish people.
 - **Vashti** – Old Order.
 - **Esther** – Church of Jesus Christ – Israel of God – New Order
 - **Mordecai** – the sons of God lead by the Holy Spirit
 - **Hamon** – Antichrist
 - Agagite – of Agag – King of the **Amalekites** – Grandson to **EASU**
 - **Jews** – Israelites – twelve tribes – (Palestinians)
 - **Deliverance** – Salvation

The **WEAPONIZATION** of the story of **ESTHER**

Project ESTHER in Project 2025

- **Project Esther** is a project of the Heritage Foundation, a conservative think tank based in Washington, D.C., that aims to **suppress pro-Palestinian protests** and what it classifies as **antisemitism**.
- Critics describe Project Esther as a blueprint that **weaponizes antisemitism** accusations to advance a **white Christian nationalist agenda**, suppress free speech, and extend executive power—echoing the broader **authoritarian** vision of Project 2025.
- Labeling pro-Palestinian groups such as **Students for Justice in Palestine**, **Jewish Voice for Peace**, and **American Muslims for Palestine** as part of a so-called “**Hamas Support Network**.”
- Proposing federal actions to **surveil, defund, deport, and prosecute** individuals and organizations critical of Israeli policy, **including removing faculty from universities**, revoking visas, and **cutting federal funding to schools**.

“Put Them in Trauma”: Inside a Key MAGA Leader’s Plans for a New Trump Agenda

Russell Vought

Vought wanted the assault on civil servants to not just be dramatic but **ruthless**. “We want the bureaucrats to be traumatically affected,” he said. “When they wake up in the morning, we want them to not want to go to work because they are increasingly viewed as the villains. ... Esther in School Curriculum

- **Queen Esther** is featured in the **Bluebonnet Learning curriculum**, a Bible-infused educational program developed by the **Texas Education Agency (TEA)** and approved by the Texas State Board of Education in November 2024.
- The curriculum uses the **biblical story of Esther to teach elementary subjects** such as reading comprehension, writing, and chronological sequencing.
- While the Texas Board of Education voted to approve the curriculum despite these objections, the program remains controversial due to its perceived **lack of transparency and the secrecy surrounding its authors**, which included conservative publishing houses.

To truly make America great again and bring back the Golden Era, however, there is an essential element that needs to be restored: moral integrity. I urge you to consider creating a Department of Morality, modeled after President Reagan's 1982 tribute to the Lubavitcher Rebbe.

The Rebbe advocated for moral clarity in public institutions—a perspective that resonates powerfully in today's world. Just as Reagan honored the Rebbe's guidance, establishing a Department of Morality would demonstrate a commitment to fortifying the nation's spiritual foundation, a move that truly benefit America's future and the whole world.

This department would be to promote solely the Seven Noahide Laws—universal principles of justice, respect, and morality—and to work with community organizations to foster respect, family values, and well-being across America. While our national pursuit of prosperity has been

False Esther in the “Church” by False Prophecy by False Prophet

- Kim Clement (false prophet) prophesied: “As the beginning of the restoration, as it begins, **there shall be a woman that shall rise up**. A woman that shall be strong in faith, virtuous, **beautiful in eyes, and her eyes shall be so beautiful. Eyes shall be round and big**. I have crowned her, says the Lord. **As I crowned Esther.**”
- “Here’s what’s interesting,” Petruska said. “**Erika Kirk was crowned** Miss Arizona in 2012, **a year after [Kim Clement] prophesied that**. She has a juris master’s degree in **Christian leadership**, and that to me covers the strong in faith, virtuous. She does have **beautiful big eyes**, a very light blue, so they really shine.”

Hanging the True Jews

Israel passed a law on March 30, 2026, mandating the death penalty by hanging for Palestinians convicted of lethal attacks deemed "terrorism" by Israeli military courts, particularly in the occupied West Bank.

The law, known as the Death Penalty for Terrorists Law, makes hanging the default sentence, to be carried out within 90 days of sentencing, with no right to clemency and limited judicial discretion.

The national security minister, Itamar Ben-Gvir, one of the bill's strongest backers, has repeatedly worn a noose-shaped lapel pin, symbolising executions under the proposal. He described hanging as "one of the options" alongside the electric chair or "euthanasia", claiming some doctors had offered to assist.

The True Jews

In 2001, Dr. Ariella Oppenheim, of **Hebrew University**, a biologist, published the first extensive study of DNA and the origin of the Jews. Her research found that **virtually all the Jews came from Khazar blood**. Not only that but Oppenheim discovered that the **Palestinians**—the very people **whom the Jews had been persecuting and ejecting from Israel's land since 1948**—had more **Israelite blood** than did the Jews. In sum, **the vast majority of the Jews were not Jews; some of the Palestinians were**. Some of the **Palestinians** even had a **DNA chromosome** which established that they were “Cohens”—**workers at the ancient Temple** and synagogues of the Jews.

Ashkenazi Jews and Khazars from **Japheth** and **Esau**

- Historical and traditional accounts, such as the ***Khazar Correspondence***, identify the Khazars as descendants of **Togarmah**, a son of **Japheth**, who is listed in the **Table of Nations in Genesis 10:2-3**.

 - And the sons of **Gomer**; **Ashkenaz**, and Riphath, and **Togarmah** (Germans and Turks). And the sons of Javan; Elishah, and Tarshish, Kittim, and Dodanim.
- **Arthur Koestler's 1976 book *The Thirteenth Tribe* argued that most Ashkenazi Jews are descended from the Khazars**, a Turkic people whose ruling elite converted to **Judaism** in the 8th century. Many became **GERMANS**.
- **Multiple sources state the Khazars also included Turks (descended from Esau, who is Edom - Edomite).**
- History shows us that a good portion of **Esau/Edom** finally settled in the land called **TURKEY** today. (Hunt KM. The Biblical Prophets for Today. iUniverse, 2011, p. 173).
- Japheth also spread eastward throughout Asia to Japan. He intermixed with descendants of Ham and Shem.

The **2026 Iran war** began on February 28, 2026, which coincided with the Sabbath that immediately preceded **Purim 2026**, a Jewish holiday commemorating the deliverance of Jews in ancient Persia from a planned genocide, as recounted in the Book of Esther.

The timing of the U.S.-Israeli strikes on Iran sparked widespread commentary drawing parallels between the ancient Purim story and the modern conflict, with some describing it as a symbolic reversal of fortune.

Amalek & Netanyahu's Call For Mass Murder

What did Netanyahu mean when he referred to the biblical Amalek? Was it a call for mass murder?

- Amalek in the Hebrew Bible: Amalek is depicted as the ancestor of the Amalekites, a tribe often at odds with the Israelites.
- In 2023, Israeli Prime Minister Netanyahu referenced Amalek in response to a Hamas attack, drawing from Deuteronomy 25:17. This statement was subject to misinterpretation and controversy in various media outlets, due to confusion with a different verse in the Book of Samuel.
