Woman = Church

I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.

And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

And upon her forehead *was* a name written, **MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.**

And **I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus:** and when I saw her, I wondered with great admiration.

Revelation 17:3

Are the Jesuits using the Church to usher in the NWO?

The background of the image is the interior of a large Gothic cathedral. The architecture features high, vaulted ceilings with ribbed arches and massive stone columns. In the center, a large crucifix is suspended from the ceiling, positioned in front of a large stained glass window. The lighting is warm and golden, creating a dramatic atmosphere. The title text is overlaid on this background.

Abominations in the Temple

And he brought me to the door of the court; and when I looked, behold a hole in the wall.

Then said he unto me, Son of man, **dig now in the wall**: and when I had digged in the wall, **behold a door**. [SECRETS!]

And he said unto me, Go in, and **behold the wicked abominations that they do here**.

So I went in and saw; and behold every form of creeping things, and abominable beasts, and all the **idols** of the house of Israel, pourtrayed upon the wall round about.

And there stood before them **seventy men [SANHEDRIN]** of the ancients of the house of Israel, and in the midst of them stood Jaazaniah the son of Shaphan, with every man his censer in his hand; and a thick cloud of incense went up.

Then he brought me to the door of the gate of the LORD'S house which *was* toward the north; and, behold, there sat women weeping for Tammuz [**worship of the Babylonian sun god; festivals; orgies**] (PCBE) Ezekiel 8:7-12

They are **subservient to the deep state, to globalism, to aligned thought, to the New World Order** which they invoke ever more frequently **in the name of a universal brotherhood which has nothing Christian about it, but which evokes the Masonic ideals** of those want to dominate the world **by driving God out of the courts, out of schools, out of families, and perhaps even out of churches.**

Islam

Muslims Conquered Palestine

685 – Muslims built the Al-Aqsa Mosque and the Dome of the Rock, an Islamic shrine

The **Roman Catholic Crusaders** captured Jerusalem in **1099**, the Dome of the Rock was then turned into a church by a Catholic sect.

The Al-Aqsa prayer hall became a royal palace for a while, and then for much of the 12th century it was the headquarters of the **Knights Templars**, who are associated with the Catholics and Freemasonry.

Muslims Now Have Held Control

Kingdom of Jerusalem Came Under **Papal Control** 1096

- The **First Crusaders** invaded to recover the Holy Land from Islamic rule.
- A vast majority of the crusaders were Catholics from France.
- There they established the **Kingdom of Jerusalem** with the intention to set up a theocratic state directly **under papal control**.
- A **Catholic church hierarchy** was established, with rule over the Christian orthodox churches, including the Syriac Orthodox Church, which was an extension of the church that Saint Peter had instituted at Antioch (Acts 11).
- In 1100, **Baldwin I** was crowned as the **first King** of the Kingdom of Jerusalem. He was a Catholic.

The Pope is KING over Vatican City and POPE of the Church.

The Pope is the VICAR of Christ.

A portrait of Martin Luther, a German theologian and reformer. He is depicted from the chest up, wearing a black cap and a dark, high-collared garment. He has a serious expression and is looking slightly to the right. The background is a solid blue color.

Examples of the 95 points from
Luther's thesis include:

Luther – Protestant Revolution

**Luther's conviction
was that the Pope
was the Antichrist.**

2. **Only God can give salvation**, not a priest.

48. **The pope should have more desire for devout prayer** than for ready money.

79. He who says that the cross with the pope's arms solemnly set on high, **has as much power as the cross of Christ**, blasphemes God.

86. Again, **why does not the pope build St. Peter's with his own money**, since his riches are not more ample than those of Crassus, rather than with money of poor Christians?

In two later works, Luther expressed **anti-Judaistic views**, calling for the **expulsion of Jews** and the burning of synagogues but did not advocate the murdering of Jews.

The Catholics were looking for a way to Get the Heat off the Pope

They got some help from the Borgia papal crime family.

They were suspected of many crimes, including adultery, incest, simony, theft, bribery, and murder (especially murder by **arsenic poisoning**).

Ignatius of Loyola Selected by the **Borgia Crime Family** to Help Counter the Reformation

Loyola had Visions, Mysticism

1522 – 1524 Ignatius was a **wounded Spanish knight (MILITARY)** who had a religious conversion.

He had several visions. One in a cave he saw God holding an orb representing the world

The most significant vision was in Spain, where God infused his understanding, allowing him to see everything in a different light, **ILLUMINATED**.

This experience was crucial in shaping Ignatius's spiritual insights and the development of **the Spiritual Exercises**, a guide for spiritual growth and discernment.

1523 Ignatius went on a pilgrimage to Jerusalem to convert Muslims

- During the Council of Trent, the following was declared:
 - **Tradition is of equal authority** with the Bible.
 - **Denial of Reformation doctrine**, particularly such as “salvation by grace through faith alone.”
 - **Proclamation of eternal damnation** upon anyone not believing in the Catholic doctrine.
 - **NO BIBLES - Scriptures are for the priesthood only** (prohibited to anyone in the laity without written permission from one’s superior) – to violate this was [and still is in most “Catholic countries” today] considered a mortal sin).

Five Goals of the Illuminati

- Abolition of monarchies and all ordered governments.
- Abolition of private property and inheritances.
- Abolition of patriotism and nationalism.
- Abolition of family life and the institution of marriage, and the establishment of the communal education of children.
- Abolition all religions.

By undermining the world's religions and power structures, an utopian era of global communism could be ushered in. The Illuminati would covertly rule by their hidden hand: the New World Order.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country".

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

His Bible Supported World Zionism

- Scofield produced a revolutionary book that **radically changed the context of the King James Version.**
- It was designed to create a subculture around a new worship icon, **the modern State of Israel, a state that did not yet exist**, but which **was already on the drawing boards** of the committed, well-funded Jewish authors of **World Zionism.**

Many speculate he was recruited by the Rothschilds in order to infiltrate Protestant Christianity by creating their own 'Bible', funded by the powerful Zionist and Freemason Samuel Untermyer.
