

PRAYER AGAINST NOAHIDE LAWS

Heavenly Father we enter Your gates today with Thanksgiving, and Your courts with praise! We thank You that we have You to come to in our time of need, that Your promises are always yes and amen, and that we already have the victory through these promises. We exalt Thee, God Most High!

We bring our petition to You today concerning those who would seek our demise through the Noahide laws and many other ways, and we ask You for Your protection and guidance. We repent for our sins and the sins of our ancestors, that were committed both willingly and ignorantly, and lay them under the blood of Jesus. We ask You to forgive us and wash us clean. We ask You to go before us against our enemies, to overthrow the tyranny of those in power who seek to kill us. We ask that we would be counted worthy to escape the things to come and stand before the Son of man. Not because we deserve it, but because of the blood of Jesus and the accomplished work of the cross. Preserve us oh God, for rest can be found in You alone.

Your word states in Obadiah 17 that You will give us the inheritance of those who inherited us. We pray that You would give this to us now and break the yoke of the enemy off our necks. Your word states in Ezekiel 36 that Edom, the Synagogue of Satan, would try to take Your land as their own possession, but that You will give it back to Jacob. We pray that You would do this now, causing their evil plans of destroying us to fail. We see throughout history this plan has played out over and over with the descendants of Esau destroying the descendants of Jacob. Let our generation be where it is overturned! Protect us O Lord and let them fall by their own devices. Nevertheless, not our will but thine be done.

Your word commands us to bless those who curse us, and pray for those who persecute us, so we lift those involved up to You now and pray for their salvation, for their hearts to be softened toward You, and for the blinders to be removed from their minds, that they would come to know the knowledge of the truth of Jesus Christ.

We also ask for the spirit of stupor to be removed from Israel, and for the blindness upon Israel's true identity to be removed, that the whole world will know we belong to You. We are Yours, and You are ours, and we are One. One with You and one with each another. May You be exalted and glorified through us. For Christ in us is the hope of glory.

Lord give us courage in the days ahead to stand firm should we face the guillotine or sword. Strengthen us and our children in the power of Your might, that we would "love not" our own lives unto the death. Whether by life or by death, may Christ be glorified. To live is Christ, to die is gain. Father we pray, Thy will be done in Jesus mighty name. Amen.
