*Draw closer to God through a personal pledge*

<https://noahideworldcenter.org/pages/preliminary-noahide-self-declaration>

I agree to uphold the seven universal Noahide Laws, which were given by God to Noah as a binding set of laws for all humankind and were revealed by Moshe — their details preserved, clarified, and expounded upon by the sages of Israel from generation to generation.

## The Seven Basic Noahide Laws

| ③ The prohibition against murder                 | ④ The prohibition against theft                              |
| ⑤ The prohibition against sexual immorality      | ⑥ The prohibition against eating the limb of a living animal |
| ⑦ The commandment to establish courts of justice |                                                              |

## A Movement Is Founded Once.

There will be more congresses. There will be more gatherings.

## Continuity

To leave with new friendships and a global network that keeps living long after the congress ends.

For two thousand years, the words of Israel's prophets waited. We waited.

The people of Israel returned home. The State of Israel was built. Israeli society developed. And now, quietly, tens of thousands of non-Jews on multiple continents are choosing to live by the universal moral laws given at Sinai to all humanity. They are called **Noahides**. They are awakening. They are organizing. And for the first time in history, they have an address: **Jerusalem.**

This November, the most committed Noahide leaders from around the globe will gather in Jerusalem — to formally establish the World Noahide Movement.

during its existence in Palestine to the Jewish nation only, but proselytes of three kinds were freely admitted. One of these classes was the "proselytes of the gate." These were persons who, without undergoing the rite of circumcision or observing the ritual prescribed by the law of Moses, engaged to worship the true God and to observe the seven precepts of Noah, and these things they were to do whether they resided in Judea or in foreign lands. They were not, however, admitted to all the privileges of the Jewish religion; marriage with Israelites was forbidden, and they were not permitted to enter within the sacred inclosure of the temple. So that, although they were Noachidæ, they were not considered equal to the true children of Abraham.

derson, though both have the same purpose. The meaning is that the only religious laws which a Freemason is required to obey are those which are contained in the code that has been attributed to Noah. This sentiment is still further expressed toward the close of the "Old Charges," where it is said that the Mason is obliged only "to that religion in which all men agree," excluding, therefore, atheism, and requiring the observance of such simple laws of morality as are enjoined in the precepts of Noah.

Anderson had, however, a particular object in the use of the word "Noachida." The Krause MS. says that the Mason "must obey the laws of the Noachites;" that is, that he is to observe the seven precepts of Noah, without being required to observe any other religious dogmas outside of these—a matter which is left to himself.

**"NOAHCHIDAE:** The name has from the earliest times been bestowed upon the Freemasons, who teach the same doctrines. it is said, 'A mason is obliged by his tenure to observe the moral law as a true Noachidæ.'  
(The Symbolism of Freemasonry, Mackey) He was the most influential Masonic writer in history.

- The body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ...
  - The difference in the inner quality between Jews and non-Jews is “so great that the bodies **should be considered as completely different species.**”
- “An even greater difference exists in regard to the soul.
  - Two contrary types of soul exist, **a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness.**”
- “As has been explained, **an embryo is called a human being, because it has both body and soul.**
  - Thus, the **difference between a Jewish and a non-Jewish embryo** can be understood.”

- “The important things are the Jews, because they do not exist for any [other] aim; **they themselves are [the divine] aim.**”
  - “The entire **creation [of a non-Jew] exists only for the sake of the Jews.**”

FRED C. TRUMP, who donated the land for the Talmud Torah of the Beach Haven Jewish Center, 723 Ave. Z, discusses the impressive future with the assemblage of leaders.

## 1950s – Fred Trump- Chabad Recognition

- **Fred Trump**, Donald Trump's father, had a longstanding relationship with the **Chabad-Lubavitch** movement, particularly through his support of the **Beach Haven Jewish Center** in Brooklyn. In the 1950s, Fred Trump **donated the land** for the synagogue's construction and covered much of the building costs, maintaining a close friendship with the congregation's rabbi, **Israel Wagner**.
- His philanthropy extended beyond the building itself; he was known for his kindness to tenants, including **Holocaust survivors**, often allowing them to delay rent payments until they could afford to pay.
- This legacy was formally recognized by the Chabad movement, which presented a replica of a 1956 plaque honoring Fred Trump's contributions during a 2025 Oval Office meeting with Chabad rabbis.

**The next day, March 2**, the Rebbe told his followers to leave their Brooklyn environs and go help Jews wherever they may be in need. In his speech, the Rebbe specifically said that although he had issued a similar call before, now “G-d is reminding you through the President.”

102d Congress

Joint Resolution

Mar. 20, 1991  
[H.J. Res. 104]

To designate March 26, 1991, as "Education Day, U.S.A."

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

Whereas this will be reflected in an international scroll of honor

The US government on paper in a public law named the seven Noahide laws as the ethical foundation that this nation was actually built on.

- Oh, it's just a proclamation day in honor of the Rebbe's birthday.
- To Be Clear
  - Public Law 102-14 **did not:**
    - **Create a criminal court or penalty for not observing these laws**
- HOWEVER, it did

- The Missing piece – **the court system** and **penalty** and that is what is **launching** in Jerusalem this November.
- **The US in 1991 gave the Noahide framework a seal of approval.**
- The building of the completion of the plan is slated for 2026.

The late Lubavitcher rebbe, Rabbi Menachem Mendel Schneerson, has been awarded the Congressional Gold medal, joining the ranks of fewer than 100 other Americans.

Both the House and Senate last week unanimously agreed to bestow the honor.

The award "reflects further the long-held appreciation of this august institution of the message of the rebbe and his contribution to the educational, moral and social fabric of our society," Rabbi Abraham Shemtov, national director of American Friends of Lubavitch, said in a statement.

Some 230 members of Congress co-sponsored the bill that made the award.

Disseminating the Seven Noahide Laws  
US MILITARY CHAPLAINS - 2019

I encourage the Chaplains here,  
and all Jewish and Non-Jewish  
military Chaplains, to bring the  
Noahide Code and the messages it  
contains to the attention of all  
members of the Armed Forces who  
are within your personal sphere of  
**influence.**

## CONGRESS – Implementing a NEW World LEGAL System

## Halacha 104: Laws for Courts and Noahide Judges

- A meeting of individuals; an assembly of envoys, commissioners, deputies, etc., particularly a meeting of the representatives of several courts, to concert measures for their common good, or to adjust their mutual concerns.
- The **Seventh Noahide Law** mandates the establishment of **courts of justice** to enforce the other six universal moral commandments.
- According to traditional rabbinic interpretation, particularly by **Maimonides**, this obligation requires societies **to appoint judges and magistrates in every district to adjudicate issues** related to **idolatry, blasphemy, murder, theft, sexual immorality, and eating flesh from a living animal**.

# A Powerful International Army to Enforce Noahide Law

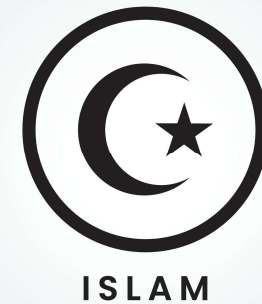

---

- Through Freemasonry, Jews would have a greatly extended **base of power and clout, indeed an international army** prepared to enforce Noahide Law and slaughter dissident non-Jews.
- Albert Makey, a respected high-ranking Freemason, Masonry encyclopedia compiler and Talmud researcher, in several of his works declares that Freemasons are "Noachides" and that **they are obligated to follow the Noahide Laws**.
- According "Morals and Dogma" by Albert Pike, the **21 degree of Freemasonry is called the "Noachite**, or Prussian Knight".
- According to Albert Makey, Noah influenced the Masons through a **mystery (secret) religion** called **Arkite Worship**.
- **"Noachidae, Noachites. The descendants of Noah. A term applied to Freemasons."** (Mackey, Lexicon of Freemasonry, page 324, 2004)

## Those who do not take the Noahide Oath

The **Shriners' oath** is sworn on the Bible and **the Koran**, in the name of Mohammed, and invoke Masonry's horrific consequences upon themselves.

# What is a Righteous Gentile?

- *Righteous Among the Nations* or *Righteous Gentile* is the name given to those non-Jews who aided and saved Jews during the *Holocaust*.
- **Gentile who adheres to the Seven Laws of Noah.**
- Such individuals are considered righteous and are believed to have a share in the **World to Come**, regardless of whether they convert to Judaism.

**A Righteous Gentile is a Part of the Antichrist System**

<https://racismnoway.com.au/teaching-resources/righteous-among-the-nations/>

- You do not have to convert to Judaism.
- But you must become a Noahide.
- You cannot CONFESS JESUS AS GOD.
- You cannot believe in the Trinity or Godhead – the Father, Son, and Holy Ghost as ONE.
- You must worship HaShem and pray to HaShem or it is a capital offense.
  - Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. 1 John 2:22
- There is no functioning Noahide court right now, but it is being put into place and November is the foundation.

## Rabbi Of Noahide Court Warns: A Biden Victory Will Spark Gog Magog War

“The purpose of this administration is clearly to **reconnect the American people to their faith in God**, which was clearly the opposite of the agenda of the Obama administration.

# The Key to a Trump Victory in 2024: The Noahide Laws

Home » The Key to a Trump Victory in 2024: The Noahide Laws

- Trump's **difficulties [in not getting reelected] resulted from neglecting one of the seven Noahide laws. With the fifth Noahide Law (Genesis 9:6), God commands Man to punish murderers.**
- This **soul-disease of twisted justice** is taking hold around the world. What we have seen in so many forms is lawlessness. It infected the International Criminal Court, leading it to make the most bizarre claims against Israel, going so far as to issue an **arrest warrant against Benjamin Netanyahu, the leader of Israel.**
- **Trump did many things well, but to fix this soul-sickness of injustice, Trump must return the justice system to being in God's image.**
- In his first term, Trump **ignored the Noahide commandment to establish a God-based justice system. I believe he is paying for that now. I believe the entire world is paying for that sin.**
- I support Donald Trump, but this is conditional support, conditioned on **his fixing the court system.** He must do it to retain political control but, **more importantly, he must do this for universal godliness.**

## Justice and Righteous Courts are **Foundations of Peace**

- The laws concerning an obligation for Noahide Courts **to administer capital punishment** apply *only* if **the majority of the society's population**
- (1) **believes in the One True G-d (all religions; same god)** *and*
- (2) **observes the Seven Noahide Laws as Divine commandments that they accept upon themselves.**
- An individual who transgresses one of the specific commandments would be liable to the specified punishment from a **governmentally-empowered Noahide Court.**
- **Every nation**, state or province, and municipality is **obligated to have a system of courts to uphold the Noahide Commandments.**
- All societies must also establish **civil laws** according to righteous principles (Noahide).
  - Their courts must rule justly on civil matters.

# Sanhedrin Death Penalty for Gentiles - Beheading

Rav Huna, Rav Yehuda, and all of the other students of Rav say: A descendant of Noah is executed for transgressing any of the seven Noahide mitzvot; the Merciful One revealed this punishment with regard to one mitzva, the prohibition of bloodshed, and the same is true with regard to all of them.

§ The Sages taught in a *baraita* with regard to the verse: “Anyone who curses his God shall bear his sin” (Leviticus 24:15), that the verse could have stated: **One** [*ish*] who curses his God. Why must the verse state: “Anyone [*ish ish*]”? It is to include the **gentiles**, who are prohibited from blessing, i.e., cursing, the name of God, just like Jews are. And they are executed for this transgression by the sword alone, as all death penalties stated with regard to the descendants of Noah are by the sword alone.

# EDUCATION DAY USA Expansion

- There are active initiatives to **expand their presence in higher education.** The **Noahide Academy of Israel** is in the process of seeking recognition from the **National College Credit Recommendation Service (NCCRS)**, which would facilitate the transfer of academic credits for its online courses within the US system.
- **Future and Proposed Initiatives:**
  - **Chabad Educational Network:** A petition supports a **3-year initiative** to raise **\$300 million** to establish **BA/MA programs in Noahide Sciences** at **major American universities** and provide weekly sessions on **college campuses** through **300 Chabad Shluchim**.
  - **Current Status:** These programs are part of a proposed expansion to **950 university campuses globally**, but specific accredited degree offerings in the US are not yet fully operational.

# Training for the Righteous Gentiles

- The **Noahide Academy** offers accredited online **Bachelor of Arts (BA)** and **Master of Arts (MA)** degrees in **Universal Ethics and Civilization** (also referred to as **Noahide Sciences** or **Noahide Theology**).
- These programs are designed for **non-Jewish individuals** following the **Seven Universal Laws** and are delivered via the **edX** platform, which is used by institutions like **MIT** and **Harvard**.
- The Academy has over **45,000 members** globally, offering free introductory courses, paid premium memberships, and direct mentorship from **Rabbis in Israel**.
- **Accreditation:** The Academy claims to be the only international institution providing a degree in **Universal Ethics and Civilization**, with specific milestones noting the graduation of its first **Master of Arts** cohort in **2025**.
